Fundraising makes 180 screening mammograms possible

The Onslow Memorial Hospital Foundation teamed up with the OMH Women's Imaging to host the annual Miles for Mammos 5K and 1 Mile Fun Run in support of Julie's Pink Warrior Project. The event took place on Saturday, Nov. 12 at the Jacksonville Commons. This year's honorees were OMH employees Nancy Pate and Tina Koonce.

Said Koonce, "I was very touched to be chosen as an honoree for this year's Miles for Mammos fundraiser. It was wonderful to see all the smiles from others who have struggled through, or are currently struggling with, cancer. And to anyone going through this, I'd like to say, 'please express your feelings and talk through this process with someone. You truly ARE NOT alone.'"

Julie's Pink Warrior Project provides free screening mammograms to the underinsured and uninsured in Onslow County. Since its inception in 2018, we have provided 338 mammograms to women in need. This year we have raised over \$18,000 with the Miles for Mammos 5K and 1 Mile Fun Run and Breast Cancer Awareness t-shirt sales. This will provide funding for 180 mammograms.

House rules for the evening:

At check-in: Each player will receive \$5,000 of free funny money!

At 7 p.m.: Casino Party Aces will open the tables and keep them open for three full hours of fun. Players redeem their funny money for chips at any casino table and are free to move from table to table to try their luck at different games including Blackjack, Roulette, Craps, Poker, Let-it-Ride and Three Card Poker.

At 10 p.m.: The tables will close after approximately three hours. At the end of the night, chips are converted to raffle tickets at a rate of 1 ticket for every \$2,500 in chips. This is your chance to win great prizes!

Let's review the main games:

Blackjack: Blackjack is by far the most popular casino game in America. The objective is to beat the dealer's hand and get as close to 21 as possible without going over 21 (called "busting"). The Players and Dealer receive two cards each. The Players' cards are dealt face up, while the Dealer has one face down (called the hole card) and one face up.

If you want to play like a pro, ask a Party Aces Dealer to teach you "Basic Strategy." Blackjack is a game of skill, not solely chance like other casino games. By using mathematical playing and betting techniques, it's possible to swing the odds in your favor!

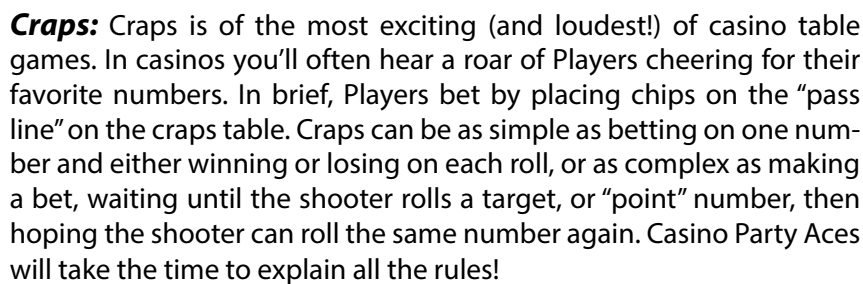

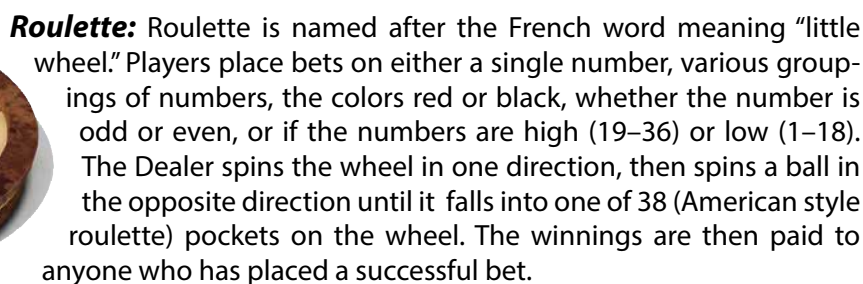

A few Blackjack terms to remember:

Hitting: This means you want the Dealer to give another card to your hand. Tap the table behind your cards with your finger.

Standing: This means you are satisfied with the total of the hand and want to stand with the cards you have.

Surrendering: In some games you can forfeit your hand immediately with an automatic loss of half the original bet (if you think you can't beat the Dealer's hand). Half a loss is better than losing the entire bet!

We will offer delicious heavy hors d'oeuvres, a well-stocked cash bar and provide great dancing music! So get out your glitziest cocktail dresses and high roller suits. Come ready to enjoy all the fun and excitement of Vegas right here in Jacksonville!

'Labor of love' underway on Maternal Child Services Floor

From the all-new private showers with full slab surrounds to the calming color palette and the premium sleep/work areas for family members, the design blends uncluttered elegance with reassuring home-like comfort.

“You know the feeling you get from stepping into a 5-star hotel? That was the vision for the new OMH Maternal Child Services floor,” said Senior Interior Designer Angela Byrd.

The Building for Babies renovation is built around the concept of mother-baby bonding, also known as couplet care. “Couplet care gives us a once-in-a-lifetime opportunity to see our babies off to a great start in life,” said Director of Women’s and Children’s Services Erika Linden. “We’re all so excited to see the renovation coming to fruition!”

“Building for Babies has truly been a labor of love,” said Foundation Executive Director Lee Ann Thomas. “And like most labors, you want it to go faster!” she laughed. “But as our vision becomes reality, we can see the value in making sure everything is done perfectly for the future of our community.”
