- Infection Prevention
- Respiratory
- Pharmacy
- Laboratory
- Surgery
- Case Management
- Inpatient Rehab
- Wound Care
- Cardiac Rehab

NEW GRADUATE OPPORTUNITIES WITHOUT RESIDENCY

Med Surg Telemetry

Come join us! Challenge yourself and your new skill set to become the best nurse you can. Our patient population includes: Cardiac, Diabetes, CHF, COPD, Renal, General Surgery, and Orthopedics to name a few. Our team consists of RNs, LPNs, PCTs, CNA/US, and unit secretaries. Experience it all on our 47-bed Med-Surg Telemetry unit! New Graduates are welcome with no residency or contract!

Intermediate Care Unit (IMCU)

IMCU is a 37-bed acute care unit. Diagnoses include: Stroke, Sepsis, Diabetes, CHF, COPD, Renal Failure, etc. Additional skills include: stable vent management, hemodynamic drip titration, arterial blood gas collection, elective cardioversion, peritoneal dialysis, and much more! New Graduates welcome with no residency or contract!
